

CIBC Investor's Edge® \$100 Free Options Trading Offer

Terms and Conditions

From September 3, 2024 to October 31, 2024, up to \$100 CAD (or USD equivalent) in trading commissions and contract fees for online option trades will be waived for each of your eligible CIBC Investor's Edge accounts.

The CIBC Investor's Edge \$100 Free Options Trading Offer (the "Offer") is subject to the following Terms and Conditions:

1. Offer Period

The Offer begins September 3, 2024 and ends October 31, 2024 (the "Offer Period").

2. Option trading privileges

To be eligible for the Offer, you must be approved to trade options. To apply, sign on to your account and visit the 'Options Central' section of the CIBC Investor's Edge website.

3. Waiver of trading commissions and contract fees

The waiver of trading commissions and contract fees applies to North American options trades that have been executed.

All trades must be placed online through the CIBC Investor's Edge website or CIBC Mobile Wealth App.

The Offer applies to buy orders, sell orders, cancel former orders (CFO), and multi-leg spread orders on USD exchanges. CAD multi-leg orders are not eligible.

Any fees or charges that may be incurred in addition to CIBC Investor's Edge option trade commissions and option contract fees (such as, but not limited to, exchange fees, account fees and other transaction charges) are not covered under the Offer. Trades in equities, fixed income and all other securities are excluded from this Offer. Waived commissions will be calculated based on pricing charged to clients; for example, if a client is enrolled in Active Trader Pricing, CIBC Investor's Edge will waive trading commissions up to \$100 CAD (or USD equivalent) using a per trade commission of \$4.95 + \$1.25 per contract.

The waiver of the trading commissions and contract fees charged in USD will be converted to CAD using an exchange rate of 1.31 CAD/USD. For example, if your USD commission is \$50 USD, the CAD equivalent will be calculated as follows: \$50 USD x 1.31 = \$65.50 CAD

The exchange rate of 1.31 CAD/USD will only be used for calculating the trading commission and contract fee for the purpose of the Offer. The exchange rate of 1.31 CAD/USD will not apply to actual trades and trade commissions that are subject to foreign exchange. The regular foreign exchange rate will apply to executed trades that require foreign exchange and will be updated throughout each trading day.

After the Offer Period ends, option trade commissions and option contract fees will no longer be waived.

If you consume the full \$100 CAD (or USD equivalent) in the Offer before the Offer Period ends, your additional option trade commissions and option contract fees will no longer be waived during the Offer Period.

The Offer can be combined with other CIBC Investor's Edge promotional offers.

4. Eligible accounts

The Offer will be applied to each of your eligible accounts only once, as set out below.

Joint accounts are not considered a separate account type for the purpose of the Offer. The Offer will be applied to either one (1) individual or joint account of each type as appropriate, not both. Eligible accounts include:

- Tax-Free Savings Account (TFSA)
- Registered Retirement Savings Plan (RRSP)
- First Home Savings Account (FHSA)
- Non-registered account (personal)
- Non-registered account (non-personal)
- Registered Retirement Income Fund (RRIF)

You're solely responsible for any tax consequences or other amounts that may be associated with the Offer, including any consequences resulting from the Canada Revenue Agency (CRA) assessing a registered account for carrying on a business, and the transfer of the assets into, or trades placed in, the accounts. You remain responsible for ensuring that any contribution to your TFSA, RRSP, FHSA or LRSP does not exceed your contribution limits under the applicable tax legislation.

Terms and conditions applicable to the Offer are subject to change without notice at the sole and absolute discretion of CIBC Investor's Edge.

CIBC Investor's Edge reserves the right, in its sole and absolute discretion, to withdraw the Offer or to disqualify, limit or revoke the Offer in respect to any CIBC Investor's Edge client it determines or believes is abusing or manipulating the Offer.
